Editor's Message

We the class of '66 are honored to present to you the 25th edition of Se-Hi. As you leaf through these pages, we hope you will remember many wonderful moments spent at Seagrove School.

As editor I would like to thank each member of the Se-Hi staff and Mrs. Auman for all the hard work and effort put forth on this annual. A special thanks goes to Mrs. Sugg and the senior girls in her office practice class for their cooperation and assistance.

Sondra Auman

Mrs. Della Macon

She helped us forget that we were away from home. She inspired a search for knowledge.

For making our first days in the outside world bearable,
drying our tears,
loving us,

Mrs. Macon, we the senior class of 1966, dedicate the 25th edition of the Se-Hi.

Because We Are Grateful We Dedicate —

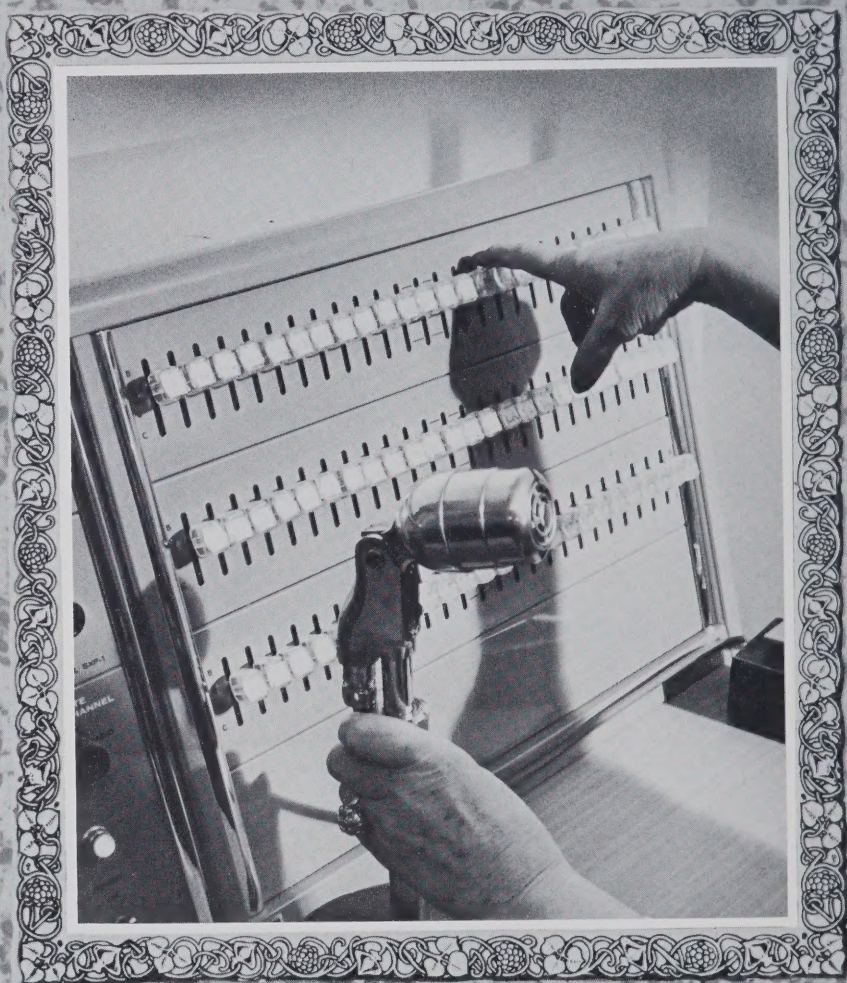

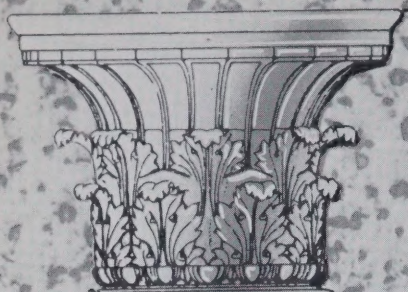

Floyd Watkins

In each of our lives there is a need to have someone on whom we can depend. At home--our parents, in Church--our pastor, in school--our teachers. We need someone to sense our need, and understand our problems.

Mr. Watkins, for your warm understanding it is with heartfelt gratitude that we dedicate this 25th edition of the Se-Hi.

The Game

The game began twelve years ago,
The players were young and the time passed slow.
But now to them a new game calls,
The players are leaving; a few tears fall.

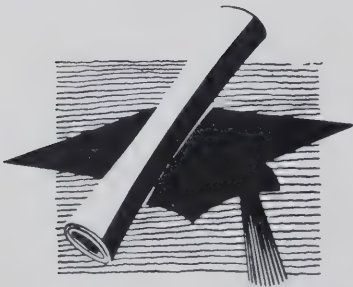

As work on the first rule began long ago,
They learned their part--some fast, some slow.
These players were strangers, they had never met.
The game made them friends, never to forget.

The next rules were harder, but trying each day
As the game progressed to see their way.
Games had instructors; they turned to them now,
They pointed the way, and they showed them how.

With each set of rules, begun with eager hearts,
To make a success through the difficult parts;
And to master these, as the friendships grew,
Not many more rules, they'll soon be through.

And now comes the time when they must leave,
To go to the reward that they shall receive;
As they turn around, and go on their way,
Let us utter a prayer for each every day.

Hear Ye, Hear Ye . . .

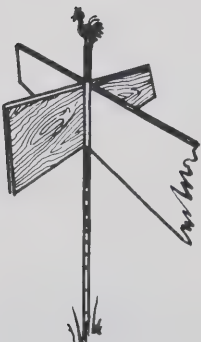

It is recorded that in the school year of nineteen hundred and sixty-two - sixty-three, local inhabitants numbering one hundred and four embarked upon a very long journey. For eight years the group had been in solemn preparation for this glorious trip. The destiny: a beautiful and prosperous land called "Education and Opportunity". In order to reach this favored place, each person must have successfully passed through another challenging area called "Seagrove High School".

Due to their youth, the travelers who first set out were called "freshmen". Inscribed upon tablets of stone, evidence is found of their accomplishments that year:

- SEPT. - The beginning of a great trip.
- OCT. - Earl King elected as leader of expedition.
- NOV. - Three freshmen participate in athletics.
- DEC. - Yule season marked by party.
- JAN. - First mid-term exams are experienced.
- FEB. - Washington, Lincoln, and several freshmen celebrate birthdays.
- MARCH - Great Expectations poses no barrier to group.
- APRIL - General science, math, and physical education are soon to be left behind.
- MAY - One year successfully completed.

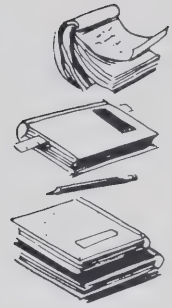

It came to pass that only eighty-eight travelers survived that first year. Those who did remain steadfast were called "sophomores", for they were indeed wiser. During the year of nineteen hundred and sixty-three - sixty-four, several events were recorded:

- SEPT. - Sandra Auman chosen as president.
- OCT. - Sports events include eighteen class members.
- NOV. - Three sophomores make Beta Club.
- DEC. - Christmas social is highlight of holidays.
- JAN. - Romeo and Juliet, and Mr. Watkins.
- FEB. - Class party, "Be My Valentine".
- MARCH - Three sophomores become bus drivers.
- APRIL - Sophomores are part of new track team.
- MAY - Second year comes to an end.

When the year of nineteen hundred and sixty-four - sixty-five came around, only seventy-six were left in the band of travelers. Having come much closer to their goal they were then given the name "juniors". At this point, it is written that there were a number of significant occurrences:

SEPT. - Leon McCaskill chosen as new leader.
 OCT. - Science students visit State College.
 NOV. - Eight juniors tapped into Beta Club.
 DEC. - Juniors observe Christmas with party.
 JAN. - Seagrove's brickmasonry class begins.
 FEB. - Class rings are ordered.
 MARCH - "All right, folks!" --Mrs. Kemp.
 APRIL - Good Gracious, Grandma!, class play.
 MAY - Junior - Senior Prom, "Song in my Heart".

Nineteen hundred and sixty-five - sixty-six came surprisingly early, bringing with it an exciting closeness to the mutual goal of the travelers. For this reason, they were called "seniors". Having lost some and gained a few, the merry group numbered seventy-four. During the final steps of the great journey, many notable things took place:

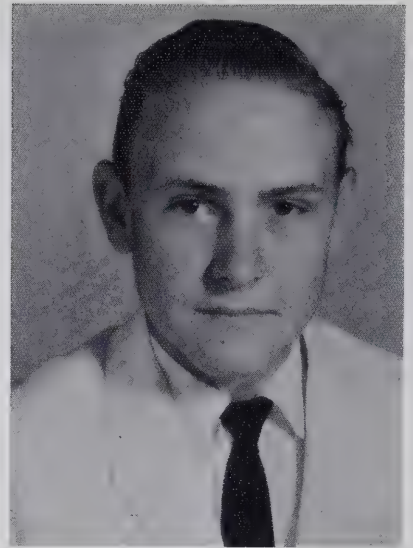

SEPT. - Doyle Allen elected as president.
 OCT. - Senior play, Keep Moving.
 NOV. - Class mascots chosen.
 DEC. - Judy Copple elected Homecoming Queen.
 JAN. - "You people better get quiet!" --Mrs. Tillman.
 FEB. - Caps and gowns are ordered.
 MARCH - Most college - minded seniors now accepted by favorite school.
 APRIL - Class of '66 honored at Junior - Senior.
 MAY - The journey is over; farewell Seagrove!

At last the brilliant boundaries of the great land were reached. The tired but happy travelers had not learned all there is to be known, but what they had experienced made them better people. As citizens of the shining land of Education and Opportunity, they were given the chance to fulfill their hearts' desires. And of course, there is for the more adventuresome traveler, a golden road which leads to the glory of "Higher Education."

IN HONOR

During the freshman year of the class of '66, Newman Beane became ill and was unable to return to school. A victim of rheumatic fever, resulting conditions have made it impossible for Newman to continue his education. We, the seniors of 1966, wish to honor this former classmate.
